LORETO FEDERATION 2009

The 27th Conference of
Loreto Federation of Australia
Loreto Coorparoo
21-23 August 2009

Loreto Celebrating
Mary Ward – 400 years

WELCOME

On behalf of our Brisbane community we extend a very warm invitation to our Loreto family to celebrate the 27th Loreto Federation of Australia. As envisaged by the founders of Federation this will be a time to foster the spirit and unity of Loreto throughout Australia. We recognise the significance of the wider Loreto family and encourage all to participate.

Our theme this year is 'Creating Pathways'. We are living in a time of great financial uncertainty and with this comes many social challenges for our community. Together we aim to seek and create pathways that will support and assist those around us who are suffering hardship. Indeed this is another objective of Federation – to serve God by acting for the welfare of and the interests of the broader community.

This is also a year of great significance for the IBVM as it marks the 400th anniversary of Mary Ward's foundation of the Institute. It is our privilege to ensure the conference is a very special occasion in this year of celebration.

Federation is a wonderful opportunity for the whole Loreto community in Australia to come together over a week-end and discuss, reflect and formulate practical ways to support identified needs of our communities, or as Mother Gonzaga Barry said 'to lend a helping hand.' We look forward to seeing you in Brisbane where we will create pathways together.
